GET ON TOP OF IT: Hip & Ridge Shingles Ensure peak performance with the proper cap shingle.

- Hip & Ridge cap shingles are specially designed, tested and warranted,* tying two sides of the roof together to help ensure a weather-tight roof in the most vulnerable points on the home.
- Peace of Mind: Hip & Ridge shingles take on warranty* life of the Owens Corning shingle installed and are engineered to withstand wind speeds up to 110 mph.*
- Added protection: if using a ridge vent, they also protect against weathering and nail corrosion to help the roof last longer and perform as it should.
- Finishing Touches: Dimensional cap shingles can provide architectural interest to hips & ridge lines.
- Hip & Ridge shingles are available in a variety of profile dimensions, colors, and sizes that are compatible with the full line of Owens Corning roofing shingles to ensure a perfect match.
