

July, 2015

Dear CertainTeed Siding Products Group Customer:

Thank you for your support during the first half of 2015. We greatly appreciate the feedback you have given us which will play a key role in our product development process. To ensure that we continue to offer the most comprehensive and market responsive product lines possible, we continually examine our offering. Based on voice of customer feedback and market conditions, we make adjustments that will strengthen our portfolio of products. Below is the list showing the effect of this rationalization on our product lines for 2016.

**Polymer Shakes & Vinyl Siding – No Product Deletions for 2016**

**EverNew<sup>®</sup> vinyl and composite railing – No Product Deletions for 2016**

**EverNew<sup>®</sup> vinyl decking and UnderShield<sup>®</sup> – No Product Deletions for 2016**

**Restoration Millwork<sup>®</sup> – No Product Deletions for 2016**

**The following products will be discontinued:**

**CertainTeed Selects<sup>™</sup>**

Assembled sections in all heights and styles: Newbury, Scalloped Newbury, Newport, Scalloped Newport, Wilshire, Bel Air, Brookhaven, Brookhaven with Lattice, Arlington, and Arlington with CertaGrain<sup>®</sup> texture. We will fulfill commitments through year-end to ensure you can honor and complete existing projects.

*PLEASE NOTE:* CertainTeed Selects fence styles continue to be available as unassembled sections.

**The following product change will be effective immediately:**

**Beaumont II Arbor**

The lattice on the sides of the Beaumont Arbor changes to a molded, textured lattice featuring a 1” diameter diamond pattern. Orders for #70320 Beaumont II Arbors will automatically be fulfilled with the new #70340 Beaumont Arbor.

We realize the difficulties created by product discontinuations and changes so we have made every effort to keep these to a minimum, in addition to giving you notice well in advance.

We are already busy working on an exciting new program for next year, which we look forward to sharing with you during the planning sessions towards the end of the year.

Once again, thank you for your continued support.

Sincerely,

Deane Smith  
Vice President, Sales
