Item #1521013 IKO HIP & RIDGE 12 SUPER WHITE

Why waste time cutting up shingles to protect those vulnerable hip and ridge areas? IKO has a better-looking, much easier alternative with Hip & Ridge 12 cap shingles. They are lightweight and perforated to give you 3 pieces from one shingle. Hip & Ridge 12 cap shingle feature an IKO modified adhesive sealant for maximum wind protection

Size: 914 mm x 337 mm (36" x 13 1/4")

Coverage Per Package: 11.1 linear m (36.5 linear ft)

Item #1121137 OC DURATION TRU DEF DESIGN BLACK SABLE

It's the nailing line on your shingles. The difference between a good shingle and a great shingle is having SureNail® Technology. With SureNail® Technology, strength and durability are built into every Duration® Series shingle, thanks to the unique fabric strip in the nailing area. This unique shingle design provides outstanding gripping power.

Patented SureNail Technology

Breakthrough Design

Triple Layer Protection®

Outstanding Grip

Exceptional Wind Resistance

Item #3323859 GG STD HOUSEWRAP SEAM TAPE 1585TN

Kingspan GreenGuard Seam Tape is self-adhering tape comprising a polyolefin film with an acrylic adhesive. Kingspan GreenGuard Seam Tape adds an extra layer of air and moisture protection to structures. 1-7/8" wide Kingspan GreenGuard Seam Tape is recommended for flat surfaces. Both tapes stick tight in all seasons, even when the temperature drops below freezing. Long-lasting UV stabilizers help them resist the deteriorating effects of the sun. The tapes can also be used to repair rips in damaged insulation and building wrap, eliminating waste and saving money.

Seals seams on building wrap and insulation

Adds protection against air and moisture penetration

UV-stable and sticks tight in all seasons

Useful to repair damage in building wrap and insulation

1-7/8" Standard Seam Tape for general applications
