### ORANGE MESH TUX HARNESS MEDIUM

Item #3145670

### ORANGE MESH TUX HARNESS LARGE

Item #3145680

#### FEATURES:

- Harness is built into the vest to create a no tangle body wear system
- Leg straps zip into the back of the harness for storage
- Dorsal & Side positioning D-rings are standard
- Impact indicator
- Durable zipper
- Notched pass-through chest and leg buckles fasten without twisting
- Comfortable and breathable mesh, or durable cotton duck material
- Washable materials
- Sized for proper fit and adjustment
- All construction Tux models are made with reflective strips down the front for visibility

### SERAPH HARNESS M/L

Item #3145650

### SERAPH HARNESS XL/XXL

Item #3145660

#### FEATURES:

- Shoulder pads
- Five points of adjustment
- Stretch ability in the shoulders and back
- Cradle seat
- Quick adjust torso buckles
- Two lanyard keepers
- Impact indicator and inspection log tag
- Optional tongue buckle leg straps
- Optional side D-rings

### 3M Vflex Dust Mask

Item #3141223

NIOSH N95

### Skyhook Swivel Top

Item #3145610

#### FEATURES:

- Mounts on top of the Skyhook
- Easy installation
- Swivels 360 degrees
- Removable and reusable bolt-on application
- Cost effective accessory to the Skyhook
- Great for first-worker-up system

### SkyMast SKYHOOK 4/12 - 6/12

Item #3145630

### SkyMast SKYHOOK 7/12 - 9/12

Item #3145640

#### SkyMast Skyhook

This specially designed Skyhook allows for attachment down the center of a truss with screws. This is the stabilizer to the SkyMast.

#### SkyMast

Item #3145620

#### FEATURES:

- Mounts on top of a roof
- Includes 3 retractable cradles which rotate 360 degrees
- Accommodates most retractables up to 65'
- Schedule 80 pipe provides a super strong center post
- The base plates provide further absorption to the system as they engage three trusses
- Does not include retractables
- Fasteners included

### SKYHOOK 4/12 - 6/12

Item #3145590

### SKYHOOK 7/12 - 9/12

Item #3145600

- Patented permanent anchor point for: wood: 3/4" CDX ply-wood or better metal: 20 gauge or thicker
- Powder-coated for a durable weatherproof finish

**Warning Line Systems**

**Item #3145510**

**TRANSPORTER**

Lets you roll up to 465 lbs with ease  
Holds up to 9 stanchions  
Built-in reel holds 300 ft of flagged line  
Built-in ring for hoisting to a roof  
**STANCHION**

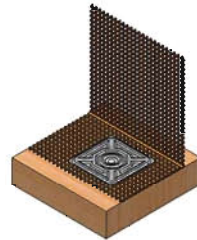

Easy-to-store stanchion for reusable warning line  
Use one stanchion every 50 ft  
Weighs only 39 lbs; are 39 1/2" high  
**100' REPLACEMENT FLAG LINE**  
Large, yellow heat-sealed flags spaced every 12"  
Heavy-duty nylon cord  
OSHA compliant

**100' REPLACEMENT FLAG LINE**

**Item #3145520**

Large, yellow heat-sealed flags spaced every 12"  
Heavy-duty nylon cord  
OSHA compliant

**48" Orange Fire Retardant Debris Net PE 150' Roll Item #3145500**

Nets are comprised of a double strand configuration making them strong and durable. The debris netting contains F and UV coatings to provide a longer lasting product. Our netting products are designed to withstand wind, rain, sun and other environmental conditions that can be damaging.

**Residential Guardrail System**

**Item #3145530**

Guardrail system which allows roofing activities to be performed safely. The Ultra-Adjust Roof Bracket is designed for five different positions from 6/12 to 16/12. When used in conjunction with 2" X 4" and 2" X 6" toe boards, this continuous guardrail system complies with OSHA's regulations.

**FEATURES:**

- Roof bracket includes guardrail holder and bracing support
- Lightweight system
- Adjustable from 6/12 to 16/12
- Slotted for easy removal
- Compact for storage
- Can be used as a slide guard
- Can be used for fall protection on roofs less than 6/12 with a ground to eave height less than 25 ft.
- Maximum spacing 8' apart

**Stair Mount For Guardrail Post**

**Item #3145550**

Made of durable welded steel  
Designed to fit metal guardrail posts  
Mounts with 4 screws or nails  
Engineered for use on concrete 2,000 psi+  
Mount is 10" (L) x 6" (W) x 6" (H)

**Stair Boot for 2x4**

**Item #3145540**

Made of durable welded steel  
Designed to fit 2x4 wood posts  
Mounts with 4 screws or nails  
Engineered for use on concrete 2,000 psi+  
Mount is 6" (W) x 10" (L), 6" (H)

**Guardrail Posts**

**Item #3145560**

Made of lightweight welded steel  
Installs easily into mounts  
Available in 52" / 65" / 74" sizes  
Maximum spacing 8' apart

ALSAN FLASHING is a patented polyurethane/bitumen resin, single-component, moisture cured compound that utilizes low solvent technologies. Used in combination with ALSAN PolyFleece, they create a watertight, puncture and UV resistant liquid applied flashing or field membrane that is preferred by roofing contractors, architects and building owners.

- Item #2220120 5 GAL ALSAN FLASHING
- Item #2220122 1 GAL ALSAN FLASHING
- Item #2220180 4" X 50' ALSAN FLASHING SCRIM
- Item #2220182 6" X 50' ALSAN FLASHING SCRIM

**SOPREMA's heat applied SBS Modified Bitumen membranes**

Through a mixture of chemically engineered components, SOPREMA membranes redefine the qualities indispensable to a high-performance roof membranes: elasticity, cyclic fatigue resistance and high resistance to heat aging. The membranes are composed of selected bitumens and SBS synthetic rubber polymers.

- Item #2220410 1 SQ SOPRALENE FLAM 180 BASE SHEET
- Item #2220201 1.5 SQ ELASTOPHENE SANDED BASE SHEET
